RE: Sexual Assault Protocol Committee
Toombs Judicial Circuit

This letter is to certify that the Toombs Judicial Circuit Sexual Assault Protocol Committee met on December 17, 2024. We reviewed our current December 2023 Protocol and determined that we needed to add algorithms for access to care as part of our protocol, along with the best practice of sending victims who are age thirteen and over to Piedmont Hospital in McDuffie County for examination. We are looking at the possibility of obtaining future services for our area.

Sincerely,

Harold A. Hinesley
